Crossing of threads as sexual union. The crossing of plants and animals. The sexual symbolism of the cross. The joining together of a pipe bowl and a pipe stem. *In spite of the efforts of more enlightened souls, it will be another generation before we can begin to understand that the real nature of sex has nothing to do with the physical world at all but is the reflection of emotional and mental energies - which are in turn the reflection of still more complex energies.* From the daughter of the sea and Uranus to the daughter of Dione and Zeus. As Eros was the child of Night and the Wind. The Four Children of Horus spring to life from the back of a serpent when they hear the voice of Afu-Ra.

The fig-wood penis of Dionysus. The dog rose gives birth to itself. *Parjanya, god of thunder, was the father of Soma.* The cow as metaphor for Soma. Goddess of the eastern sky, cow of the western mountain. Dionysus of the Black Goatskin. As Plutarch claimed the Jewish Sabbath

related to the festival of Dionysus, and that the Jews abstained from pork because their Lord Dionysus was killed by a boar. Plutarch's daughter, Asclepigenia, preserved the knowledge of the rituals and the whole theurgic science.

Book of the mistress of the hidden temple.
As Pope Gregory the Great burned the library of the Palantine Apollo. Some say St. Francis was initiated by Sufis in the Holy Land. The idea Homer was Egyptian, that Alexander the Great was the bastard son of Pharaoh Nectanebus. Erinna was considered Homer's equal.

The function of shelter and preservation, which was incumbent on women and which in general led to the creation of the "dwelling," was embodied in the activities of plaiting, weaving, binding, and knotting required for the fashioning of mat and screen, the original instruments of shelter.

Was cannabis the first cultivated plant? Terracotta warriors were

given hemp-soled shoes. As Anthony is the patron saint of workers in hemp. As Anthony is said to protect against fire, epilepsy and infection. Hemp cultivation began in Virginia in 1611. The printing press was prohibited in Virginia from 1683 to 1729. Milton's nephew published one of the first dictionaries in 1658. Dictionaries lock a language into a fixed form.

Information so sacred it cannot be committed to paper; it must be communicated orally. A Pawnee father sacrifices his son and supernatural animals bring him back to life to deliver secrets and messages from the Great Spirit. Places of sacredness, holy in and of themselves. Pan's defunct oracle at Acacesium. Altars are never abandoned. As cairns contain the essence of the builder. The shrine of Pa-Sag helped travelers make decisions about their journey through the desert.

Min, Pan of the Desert. Panther,
Beast of Pan.

As Paul put Demetrius on trial
for consulting the oracle at Abydos.
Language as organ of perception. Was
Hammurabi the first literate king?
Writing was invented well before the
dominator era. The 19 bursts of
Starseed Transmissions. The sea's
duet with the rocks. The river is
a text. The plants have their
own message.
