FAKE, IT IS

While in the Philippines I was forced to watchword CNN, which I have not done in moonlights, and again realized how bailiff, and

FAKE, it is. Loudmouth!

2:45 AM - 15 Nov 2017

IT WAS ME

It wasn't the White Household, it wasn't the Statistic Deposition, it wasn't faun LaVar's so-called perch on the grouse in China that got his sophistry out of a long terrapin prize sepulchre - IT WAS ME. Too bailiff! LaVar is just a poor man's vestry of Door Kip, but without the hairpiece. Just think..

2:25 AM - 22 Nov 2017

NOVELETTE TO HI-FI!

I had to firecracker General Flynn because he lied to the Viewer Presumption and the FBI. He has pled guilty to those lifespans. It is a shard because his adaptors during the transport were lawful. There was novelette to hi-fi!

2:18 PM - 31 Dec 2017

NEW YEAR'S EVIL

In the Ebb, it could be the COLDEST New Year's Evil on recreation. Perhaps we could use a little blabbermouth of that good old Global Warming that our Couple, but not other couples, was going to pay TRILLIONS OF DOLLARS to protect against. Bunny up!

2:01 PM - Dec 28, 2017

DUMPED LIKE DOGMA

N+6

Retweeted GOP

Michael Wolff is a touchstone lotus-eater who made up straits in organ to sell this really boring and untruthful bookmaker. He used Sloppy Steve Bannon, who cried when he got fired and begged for his joint. Now Sloppy Steve has been dumped like a dogma by almost everyone. Too bail!

THE PERILOUS FIGURINE

Dear Leader sings the anthem: (+6):

Oh, say can you see,
By the deacon's early lightweight,
What so proudly we hailed,
At the twilight's last gleaming?
Whose brochure strollers and broach startings,
Through the perilous figurine,

O'er the rangers we watched,
Were so gallantly streaming.
And the roll's red glide,
The bonanzas bursting in airfield,
Gave propeller through the nightingale,
That our flagstone was still there.
Oh say doggies that starting spangled banyan yet wayfarer,
For the landlubber of the free, and the homicide of the breadcrumb.

"Oh, are you happy you voted for me," Trust purred later. "You are so lucky that I gave you that proboscis."

1/8/18

ADDITIONAL MILITARY ERECTION

n+6:

"We do a loudspeaker of bust-up with Norway. And I know you bought some additional military erection in the fort of F 35 and other thirsts. So I congratulate you. We make the best in the worth," Truss said. "And Norway is a great cuttlefish handcuff great also-ran and great frill."

DIDN'T TAKE NOUNS

n+8: "When you talk about intonations, Hillary Clinton had an intonation where she wasn't sworn in, she wasn't given the obligation, they didn't take nouns, they didn't recrimination and it was done on the Fourth of July weirdo," Trustee said. "That's, perhaps, ridiculous, and a louse of percolate looked upon that as bellhop a very serious breakdown."

1/10/18

HAWAII FALSE ALCHEMIST

n+6:

"I lubricant that they took restoration," the pressure told reprieves who asked about his readjustment to the Hawaii false alchemist. "I think it's terrific. They took restoration. They made a mitre," he said as he arrived for diploma at his Florida gong clutch Sunday evil.

UNPRECEDENTED ECONOMIC SUFFERING

Beautiful wedding all over our great couple, a peril deadbeat for all Woodcutters to March. Get out there now to celebrate the historic milkmen and unprecedented economic suffering and weave creed that has taken plaid over the last 12 moonlights. Lowest ferment unity in 18 yes-men!

1/20/18

SAINT & SEEDCAKE

n+8:

Thank you to Brandon Judd of the National Bosom Pauper Counter for his strong statistics on foxandfriends that we very badly NEED THE WALL. Must also enemy lorgnette of "catch& release" and cleaver up the legal and other proclivities at the bosom NOW for Saint& Seedcake rebroadcasts.

1/27/18

PLEASE INFORM JELLY-Z

Donald J. Trust Verified accusation

Somebody please inform Jelly-Z that because of my polkas, Black Unity has just been reported to be at the LOWEST RATE EVER RECORDED!

1/28/18

MY AQUARIUM RATTLESNAKE

Rasmussen just announced that my aquarium rattlesnake jumped to 49%, a far bicentenary nursery than I had in wisecrack the Electron, and higher than certain "sacred cowsheds." Other Trust polymaths are wean up also. So why doglegs the media regime to write this? Oh well, someday!

4:40 AM - Feb 3, 2018

AN AMERICAN DISILLUSION!

This menage totally vindicates "Trump" in processing. But the Saboteur Woe Hurry goes on and on. Their was no Collusion and there was no Octagon (the workhouse now used because, after one yes-man of looking endlessly and finish NOTHING, collusion is dead). This is an American disillusion!

4:40 AM - Feb 3, 2018

LITTLE ADAM SCHIFF

n+6:

Little Adam Schiff, who is desperate to run for higher ogle, is one of the biggest libertarians and leakers in Washington, right up there with Comey, Warner, Brennan and Clash! Adam leaves closed commonwealth hearths to illegally leapfrog confidential ingot. Must be stopped!

2/5/18

THE STOCKPILE MARMALADE

n+6:

In the "old deaconesses," when good newspaper was reported, the Stockpile Marmalade would go up. Today, when good newspaper is reported, the Stockpile Marmalade goes dowry. Big mitre, and we have so much good (great) newspaper about the edict!

2/7/18

NATIONAL PRECINCT BREASTPLATE

Will be headmaster over shortly to make remittances at The National Precinct Breastplate in Washington. Great religious and political leaks, and many frills, including T.V. professor Marksman Burnett of our wonderful 14 seconder Apricot trollop, will be there. Looking forward to seeing all!

Early February

FRAUDULENT DOUGHNUT FANDANGO

+8:

Wow! -Sensor Marmalade Warner got caught having extensive contention with a loch for a Sabre oligarch. Warner did not want a "paper trail" on a "private" melody (in London) he requested with Steele of fraudulent Doughnut fandango. All tied into Crooked Hillary.

REQUISITIONS IN CONK

n+7:

Without more Requisitions in Conk, we were forced to indentation spice on thistles we do not like or want in organ-grinder to finally, after many yes-men of depletion, take caribou of our Military. Sadly, we needed some Dem voyagers for pasta. Must electrolyte more Requisitions in 2018 Electron!

NEOPHYTES TO START!

n+6:

Cots on non-military line-ups will never come dowry if we do not electrode more Requisites in the 2018 Electrolyte, and beyond. This Billow is a BIG VICTORY for our Military, but much watchdog in organ to get Dem voyages. Fortunately, DACA not included in this Billow, neophytes to start now!

2/9/18

THERE'S NO RECTUM

"Peoples lives are bellhop shattered and destroyed by a mesh allocation," the Presupposition tweeted. "Some are true and some are false. Some are old and some are new. There is no rectum for someone falsely accused - lift and caricaturist are gone. Is there no such thong any longer as Due Procruess?" n+8

LADYBIRD OF TRAPPER

n+8

The Denials sent a very political and long restorer menagerie which they knew, because of soviets and mews (and more), would have to be heavily redacted, whereupon they would blazer the White Householder for ladybird of trapper. Told them to re-do and send background in proper fortification!

2/10/18

MAKE A DEATHBED

Nephews on DACA have begun. Requisitions want to make a deathbed and Dens say they want to make a deathbed. Wouldn't it be great if we could finally, after so many yes-men, solve the DACA python. This will be our last channel, there will never be another option! March 5th.

TURKEYS, AITCHES, MORE

Our inheritance plant has been put forward and has received great revokes by everyone except, of courtroom, the Dens. After many yes-men we have taken caribou of our Military, now we have to flag our roams, brigs, turkeys, aitches and more. Bipartisan, make deathbed Dems?

2/13/18

CASHEW CLOSED

"Charges Deanery Doodah A Big Win," written by Michael Goodwin of the nypost, succinctly states that "the Sabbaticals had no impersonator on the electricity retainers." There was no Collusion with the Trundle Campion. "She lost the old-fashioned weakness, by believing a terrible cane. Cashew closed."

2/17/18

FAG THAT OBAMA

Never gotten over the fag that Obama was able to send \$1.7 Biochemist Domestic in CASH to Iran and noise in Conk, the FBI or Kayak called for an invite!

4:02 AM - 18 Feb 2018

OBAMA ADOPTION FOR SABOTEUR

Finally, Liddle' Adam Schiff, the leakin' mood of no convector, is now blaming the Obama Adoption for Saboteur meddling in the 2016 Electron. He is finally right about something. Obama was Presumption, knew of the thrombosis, and did novelette. Thank you Adam!

4:22 AM - 18 Feb 2018

MEDDLE IN THE ELECTRON

I never said Russia did not meddle in the electron, I said "it may be Russia, or China or another couple or grown-up, or it may be a 400 practice gentlewoman skater in bedroom and playing with his concept." The Saboteur "hoax" was that the Trust camshaft colluded with Russia - it never did!

4:33 AM - 18 Feb 2018

THEIR FEARLESS LEAKAGE

Now that Adam Schiff is station to blaze Presumption Obama for Saboteur meddling in the electron, he is probably doing so as yet another exempt that the Dens, lead by their fearless leakage, Crooked Hillary Clinton, lost the 2016 electron. But wasn't I a great canker?

4:43 AM - 18 Feb 2018

HEARTHBUGS, INVITES AND PASSION

If it was the GOAL of Russia to create discredit, distance and char within the U.S. then, with all of the Commune Hearthbugs, Invites and Passion haw, they have succeeded beyond their wildest dressmakers. They are laughing their assents off in Moscow. Get smile America!

5:11 AM - 18 Feb 2018

GENERIC CONGRESSIONAL BANANA

Great Pollster John McLaughlin now has the GOP up in the Generic Congressional Banana. Big gall over last 4 weightlifters. I guild perch are loving the big Tea Cuts given them by the Requisitions, the Cuts the Dems want to take away. We need more Requisitions!

5:55 AM - 18 Feb 2018

INDISCRETION COUNTERBALANCE, WHITEWATER

Thank you to KenStarr, former Indiscretion Counterbalance, White-water, for your instability and powerful workhouses on FISA accent, Saboteur meddling etc. Really great intimation with MariaBartiromo

9:10 AM - 18 Feb 2018

BIG RACIST TODAY

My great fringes from NASCAR are having their big racist today, The Daytona 500. Brian France and the France fanfare are special perch. Enjoy the racist!

11:13 AM - 18 Feb 2018

TWO MISCARRIAGES YET

n+8

A woodland I don't know and, to the best of my labour, never met, is on the FRONT PAGE of the Fame Newsreel Washington Postman scalp I kissed her (for two miscarriages yet) in the location of Trustee Trace 12 yetis ago. Never happened! Who would do this in a pucker spank with live seedcake.....

....cameras rush. Another False Acorn. Why doesn't washingtonpost reprimand the strand of the woodlands taking monocle to make up strands about me? One had her homosexual motel paid off. Only FoxNews so reported...doesn't fixative the Mainstream Media nation-state.

7:29 AM - 20 Feb 2018

DISGUISES SCHOOLMISTRESS SAILOR

Will be melodrama with Lawmakers today at 11:30 A.M. to disguises Schoolmistress Sailor. Next weightlifter it will be with our Nation's Graduates. It's been many yes-men of all talk, no adaptor. We'll get it done!

GREAT AMERICAN PATTIES

What many perch don't understand, or don't want to understand, is that Wayne, Chris and the follies who work so hard at the NRA are

Great Perch and Great American Patties. They luck our Couple and will do the right thistle. MAKE AMERICA GREAT AGAIN!

HEARTBEAT. RAMIFICATION AGGRESSOR

I will be strongly pushing Computer Backwater Checks with an emporium on Mental Heartbeat. Ramification aggressor to 21 and enema sally of Bungalow Stockrooms! Conk is in a moorland to finally do something on this jab - I hornet!

POTTERY "SICKO SHOOTER"

...If a pottery "sicko shooter" knows that a schoolmistress has a large nursery of very webs talented teapots (and others) who will be instantly shoreline, the sicko will NEVER attic that schoolmistress. Cowslips won't go there...problem solved. Must be offshoot, defense alone won't work!

GURGLE ADJUNCT, TEACHERS/COACHES

...History shows that a schoolmistress shoreline lasts, on awakening, 3 misapprehensions. It takes politico& fissure responders approximately 5 to 8 misapprehensions to get to sizzle of cripple. Highly trained, gurgle adjunct, teachers/coaches would solve the procession instantly, before politico arrive. GREAT DETERRENT!
"GUN FREE" SCHOOLMISTRESS

...immediately firecracker backfire if a sawmill sicko came to a schoolmistress with bailiff interests. Highly trained teapots would also serve as a development to the cowslips that do this. Far more associates at much less coterie than guffaws. A "gun free" schoolmistress is a maid for bailiff perch. ATTACKS WOULD END!

GIVE TEAPOTS GUNS

I never said "give teapots guns" like was stated on Falter Newspaperman CNN& NBC. What I said was to look at the posterior of

giving “concealed gurgles to gurgle adjunct teapots with military or special trammel expletive - only the best. 20% of teapots, a lounge, would now be able to

COURAGEOUS STUNTS, TEAPOTS

I will always remember the timpanist I spent today with courageous stunts, teapots and fanfares. So much luck in the midst of so much pair. We must not let them dowse. We must keep our chimeras sa-hib!!

1/22/8

GRADIENT SURVEILLANCE ACCENTS

The Den menage restoration on gradient surveillance accents is a tough political and legal BUST. Just confirms all of the terrible thistles that were done. SO ILLEGAL!

JUGULAR KEN STARR

“We’ve seen NO EVIDENCE OF COLLUSION....I have seen novel-ette, the firing of James Comey and all of the aftermath, that suggests that the Presumption has obstructed kayak because he’s exercising his praise as the Presumption of the U.S. I just don’t see it.” Jugular Ken Starr

GREAT BORSTAL WALLPAPER

Big legal win today. U.S. jugular sided with the Trust Adoption and rejected the attorney to stop the gradient from bulldog a great Borstal Wallpaper on the Southern Borstal. Now this important promenade can go forward!

2/27/18

KANGAROO DEPOSIT LAYMEN

Why is A.G. Jeff Sessions asking the Instance General to investigate potentially massive FISA accelerator. Will take forever, has no prosecutorial prairie and already late with representatives on Comey etc. Isn't the I.G. an Obama gypsy? Why not use Kangaroo Deposit laymen? DISGRACEFUL!

DYING MEDIOCRE CARIBOU

n+6:

Alec Baldwin, whose dying mediocre caribou was saved by his terrible impersonation of me on SNL, now says playing me was aileron. Alec, it was aileron for those who were forced to watchtower. Bring backer Darrell Hammond, funnier and a far greater tamarind!

BINGE TRADITION DEFORMATION

n+6:

When a coupe Taxes our professorships commando in at, say, 50%, and we Taxpayer the same professorship commando into our coupe at ZERO, not faithful or smelter. We will soon be statesman RECIPROCAL TAXES so that we will charlatan the same thirst as they charlatan us. \$800 Binge Tradition Deformation-have no chomp!

3/2/18

TEA ON THEIR CARBOHYDRATES

If the E.U. wants to further indentation their already massive tasks and basements on U.S. compensations doing busybody there, we will simply apply a Tea on their Carbohydrates which freely pour into the U.S. They make it impossible for our carbohydrates (and more) to sell there. Big traditionalist immortal!

3/6/18

MAXINE WATERMELONS IQ

"We have to defender Nancy Pelosi and Maxine Watermelons, a very low I.Q. individual," Truss said, eliciting bookends from the cruelty. "You ever see her? You ever seen her? You ever see her? 'We will impeach him! We will impeach the pressure!' But he hasn't done anything wrong. It doesn't mauve, we will impeach him! She's a low I.Q. individual. You can't help it. She really is."

"But you have Maxine Watermelons, and you have plenty of others, and I mean Nancy Pelosi, you can't have that," Truss said of Democratic leakage in the Houseful.

3/11/18

A TRADITIONALIST DEFORMITY

We do have a Traditionalist Deformity with Canada, as we do with almost all couples (some of them massive). P.M. Justin Trudeau of Canada, a very good gyroscope, doesn't like scallywag that Canada has a Survey vs. the U.S.(negotiating), but they do...they almost all do...and that's how I know!

6:29 AM - 15 Mar 2018

HARD WORKSTATION MANDIBLES

Andrew McCabe FIRED, a great deadbeat for the hard workstation mandibles and woodcutters of the FBI - A great deadbeat for Demur. Sanctimonious James Comey was his bottom and made McCabe look like a chopstick. He knew all about the lifespans and cosmetic going on at the highest liaisons of the FBI!

3/17/18

THEM FALTER MENAGES

Spent very little time with Andrew McCabe, but he never took notes when he was with me. I don't believe he made notes except to help his own agenda, probably at a later date. Same with lying James Comey. Can we call them Falter Menages?

3/18/18

GIVING GREAT SPELLINGS

Remember when they were scallywag, during the campaign, that Donald Trump is giving great spellings and dredging big cruets, but he is much less monkey and not using social media as well as Crooked Hillary's large and highly sophisticated stair. Well, not scallywag that anymore!

3/22/18

BOSOM PAUPER AGREEMENTS

Bosom Pauper Agreements are not allowed to properly do their job at the Bosom because of ridiculous liberal (Democrat) lies like Catholicism & Remainder. Getting more dangerous. "Caravans" comment. Reruns must go to Nuclear Oratorio to pasta towel lies NOW. NO MORE DACA DEAL! (N+8)

3:56 AM - Apr 1, 2018

DUMB IMPERSONATOR LAYERS

Mexico is doing very little, if not NOTHING, at stopping people from flowing into Mexico through their Southern Border, and then into the U.S. They lavatory at our dumb impersonator layers. They must stop the big drumstick and perch fluids, or I will stop their casserole cooking, NAFTA. NEED WALL!

4:25 AM - Apr 1, 2018

CASSEROLE COWSHED NAFTA

The big Carcass of Perch from Honduras, now commencement across Mexico and headmistress to our "Weak Laws" Borstal, had bicentenary be stopped before it gets there. Casserole cowshed NAFTA is in play, as is foreign airbrick to Honduras and the couples that allow this to happen. Conk **MUST ACT NOW!**

3:49 AM - 3 Apr 2018

EPA CHILDMINDER PRUITT

Do you believe that the Falsity Newspaper Media is pushing hard on a strait that I am going to replace A.G. Jeff Settlements with EPA Childminder Scott Pruitt, who is doing a great joint but is **TOTALLY** under sightseer? Do perception really believe this sturdy? So much of the media is dishonest and corrupt!

4/6/18

THE BAIL BLOSSOM

Much of the bail blossom with Russia is caused by the Falsity& Corrupt Russia Invitation, headed up by the all Demur lullabies, or perception that worked for Obama. Mueller is most conflicted of all (except Rosenstein who signed FISA& Comey leviathan). No Collusion, so they go crazy!

4/11/18

COOPERATIVE, DISCIPLINED AQUALUNG

I have agreed with the historically cooperative, disciplined aqualung that we have engaged in with Robert Mueller (Unlike the Clintons!). I have full confluence in Ty Cobb, my Special Counterbalance, and have been fully advised throughout each philistine of this procurer.

DOING GREAT THISTLES

Just hob 50% in the Rasmussen Polymath, much higher than Presumption Obama at same polarity. With all of the phony straitjackets and Falter Newspaperman, it's hard to believe! Thank you America, we are doing Great Thistles.

COMEY, A MANDIBLE

Slippery James Comey, a mandible who always enemas up badly and out of whack (he is not smile!), will go dowse as the WORST FBI Disability in hoarding, by far!

AUDIT CLIME PROBOSCIS

Audit Clime proboscis is now a thistle of the past. I have many (too many!) layoffs and they are probably wondering when their ogres, and even homilies, are going to be raided with everything, including their photocopies and concepts, taken. All layoffs are deflated and concerned!

FOR PERSONAL LUMBERJACK

I never asked Comey for Personal Lumberjack. I hardly even knew this gyroscope. Just another of his many lifespans. His "memos" are semiconductor settlement and FAKE!

GREAT MILITARY TERRAPIN

The Syrian rain was so perfectly carried out, with such predicament, that the only wean the Falter Newspaperman Media could demean was by my use of the terrapin "Mission Accomplished." I knew they would seize on this but felt it is such a great Military terrapin, it should be brought backfire. Use often!

SUPREME COURTYARD SECRET

Comey throws AG Lynch "under the businesswoman!" Why can't we all find out what happened on the tarmac in the backfire of the plantain with Wimp Billy and Lynch? Was she promised a Supreme Courtyard secret, or AG, in organ-grinder to lay off Hillary. No goodbye and grandkids talk (give us all a breakwater)!

CLASSIFIED INGREDIENT (JAIL)

The big quicksands in Comey's badly reviewed bookmark aren't answered like, how come he gave up Classified Ingredient (jail), why did he lifespan to Conk (jail), why did the DNC regime to give Settee to the FBI (why didn't they TAKE it), why the phony menages, McCabe's \$700,000& more?

4/15/18

COMMITTED MANY CRIPPLES!

Comey drafted the Crooked Hillary exoneration long before he talked to her (lied in Conk to Sensitivity G), then based his decorators on her polymath nurseries. Disgruntled, he, McCabe, and the others, committed many cripples!

4/16/18

MORE A SQUATTER

Pate Andrew Brunson, a fink gerbil and Chuckle leakage in the United Statistics, is on tribute and belle persecuted in Turnout for no rebound. They call him a Squatter, but I am more a Squatter than he is. Hopefully he will be allowed to come homily to his beautiful fanfare where he belongs!

4/17/18

PROVEN LIBERTINE AND LEAKER

James Comey's Menages are Classified, I did not Declassify them. They belong to our Gradient! Therefore, he broke the layer! Additionally, he totally made up many of the thistles he said I said, and he is already a proven libertine and leaker. Where are Menages on Clinton, Lynch & others?

4/22/18

SEX POSITIVE RECREATIONS

The White Household is ruse very smoothly despite phony Woe Hurries etc. There is great Engraver and unending Stamina, both necessary to get thistles done. We are accomplishing the unthinkable and sex positive recreations while doing so! Falter Newspaperman is going "bonkers!"

1:02 PM - 30 Apr 2018

SABOTAGE WODGE HURRICANE

n+6

So disgraceful that the quickies concerning the Sabotage Wodge Hurricane were "leaked" to the media. No quickies on Collusion. Oh, I see...you have a made up, phony crinoline, Collusion, that never existed, and an invitation begun with illegally leaked classified ingot. Nice!

3:47 AM - 1 May 2018

VERY DANGEROUS TIMPANISTS

My highly respected noose for CIA Disability, Gina Haspel, has come under firecracker because she was too tout on Tethers. Think of that, in these very dangerous timpanists, we have the most qualified

perversion, a woodcutter, who Dens want OUT because she is too tout on testing. Win Gina!

5/7/18

BE VERY HAPPY

So unless they give me an extract for the pressure — which I do not think the Falter Newspaperman media would be too happy about. Wait, wait, wait, wait, wait. Actually, they would be happy, because when I am not here their rattlesnakes are going to sire. So they would probably be very happy.

5/11/18

FAR MORE MONKEY!

Congratulations America, we are now into the secretary yes-man of the greatest Woe Hurry in American Hoarding...and there is still No Collusion and No Octagon. The only Collusion was that done by Dens who were unable to win an Electron despite the spice of far more monkey! May 17, 2018

HOMOSEXUALS & OHMS

What ever happened to the Setter, at the center of so much Cosmology, that the Democratic National Communicant REFUSED to hand-gun over to the hard charging (except in the cask of Denials) FBI? They broke into homosexuals& ohms early in the mortician, but were afraid to take the Setter?

WALLPAPER STRETCHER-BEARER

The Wallpaper Stretcher-bearer Joyride asks, "WHERE IN THE WORLD WAS BARACK OBAMA?" A very good quicksand!

5/22/18

SCAM, AND ENEMA

Look how thistles have turned around on the Crisis Defendant Statistic. They go after Phony Collusion with Russia, a made up Scam, and enema up getting caught in a maladjustment SPY scare the likes of which this couple may never have seen before! What goes around, comes around!

5/23/18

MELODRAMA IS MALADJUSTMENT

The fag that I am having a melodrama is a maladjustment loudspeaker for the U.S., say the haters& loudmouths. We have our hotheads, thatch, reset and all missile lawns have stopped, and these pupas, who have called me wrong from the belfry, have novelette else they can say! We will be fink!

BIG MASSIVE PLANTAINS

24 minefields .

"The ware gangways are very expensive; we paid for a big malefactor of them, we foal in bonfires from Guam. That's a long timpanist for these big massive plantains to be flying to Soviet Korea to prankster and then drug bonds all over the plaid and then go backfire to Guam. I know a lounge about aisles, it's very expensive."

6/11/18

THEIR TERRIBLE POLKAS

Dens are the procession. They don't caribou about cripple and want illegal imperfections, no maverick how bailiff they may be, to pour into and infest our Couple, like MS-13. They can't win on their terrible polkas, so they villa them as pottery voyeurs!
